PROFILE	Dynamic Frontend Developer with a strong foundation in design and development, complemented by hands-on experience in quality assurance. Possessing expertise in key technologies such as HTML, JavaScript, C# and CSS. I am committed to delivering high-quality solutions through innovative approaches and a keen attention to detail. Eager to leverage academic knowledge and practical skills to contribute effectively in a collaborative environment. Passionate about creating engaging user experiences and expanding technical capabilities.			
EMPLOYMENT HISTORY				
Dec 2023 — Dec 2023	Exam Assistant, Gauteng Department of Education		Johannesburg	
	Ensured the quality assurance and upkeep of marking scripts at a marking centre.			
INTERNSHIPS				
Jan 2025 — Jan 2025	Web Development Intern, HexSoftwares		Remote	
	I was trained to use my skills and knowledge to create web projects such as web applications and e-commerce sites. This role helped me gain a deeper understanding of the industry and prepared me for my career as a front-end developer.			
EDUCATION				
Mar 2021 — Dec 2024	BA Digital Arts, University of The Witwatersrand		Johannesburg	
	Completed an honours equivalent degree with majors in Game Design and Interactive Media.
